

Lenovo recommends Microsoft® Windows® XP Professional.

## LIGHTEN UP.

### THINKPAD X60 AND X60s NOTEBOOKS

The ultimate mobility in a choice of versatile ultraportables, with weight starting at under 2.7 lb (1.22kg)<sup>1</sup>, new ThinkPad® X60 and X60s notebooks provide Intel® Core Duo™ technology (select models) and battery life up to 8.0 hours<sup>2</sup> for select X60s models and 7.8 hours for select X60 models. Add integrated WWAN and easy optional expandability and you'll see why this small system is big on power.

**New Thinking. New ThinkPad.**

**lenovo**

## THE WEIGHT OF THE WORLD: NOW EASIER TO BEAR.

### Take on the world.

For those with global ambitions, these next-generation ultraportables pack long battery life and more potent performance into a sleek, exceptionally lightweight design. Plus, you can connect in more places as you travel. With built-in wireless WAN and Broadband Access from Verizon Wireless<sup>2</sup>, you don't have to slow down to find a hot spot. And although we can't do much about the tight fit in business class or bumpy cab rides, we do make ultraportable computing comfortable. Only ThinkPad ultraportables boast the legendary, full-size<sup>4</sup> ThinkPad keyboard with TrackPoint® and ThinkLight®. ThinkPad X60 and X60s notebooks are now products of Lenovo, a new global company uniting Lenovo and the former IBM PC Division under the Lenovo name. Find out more at [lenovo.com](http://lenovo.com).

© 2006 Lenovo. Produced in the USA, 01-06. All rights reserved. **Availability:** All offers subject to availability. Lenovo reserves the right to alter product offerings and specifications at any time without notice. Lenovo is not responsible for photographic or typographic errors. **Warranty Information:** For a copy of applicable product warranties, write to: Warranty Information, P.O. Box 12195, RTP, NC 27709, Attn: Dept. ZPYA/B676. Lenovo makes no representation or warranty regarding third-party products or services. **Footnotes:** [1] **Weight:** includes battery and optional travel bezel instead of standard optical drive in Ultrabay drive bay, if applicable. Weight may vary due to vendor components, manufacturing process and options. [2] **Battery:** These model numbers achieved Battery Rundown Time of at least the time shown during testing. A description of the testing is available at [lenovo.com/pc/www/thinkpad/batterylife](http://lenovo.com/pc/www/thinkpad/batterylife). Battery life (and recharge times) will vary based on many factors including screen brightness, applications, features, power management, battery conditioning and other customer preferences. [3] **Activating Verizon Wireless Service:** Lenovo customers will be contacted after purchase to activate Verizon Wireless service. Wireless data service requires separate agreement with Verizon Wireless; service and airtime charges will apply. Roaming charges may also apply. Verizon Wireless, not Lenovo, is solely responsible for wireless service. Service may not be available in all areas. Purchaser is responsible for verifying with Verizon Wireless that service is available for the intended location before purchase. For complete details, including service plans, additional required hardware or software and service coverage, visit [www.verizonwireless.com](http://www.verizonwireless.com). [4] **Full-size keyboard:** As defined by ISO/IEC 15412. [5] **International Warranty Service:** is available for most models in any country in which this product is sold and serviced. Service delivery methods and parts availability vary by country, may be different from those in the country of purchase, and are subject to change without notice. Fees and restrictions may apply in some countries. [6] **Mobile Processors:** Power management reduces processor speed when in battery mode. [7] **Operating system:** Level of support varies by operating system. Operating systems not preloaded on the system may not provide full feature functionality. Refer to [lenovo.com/pc/support](http://lenovo.com/pc/support) and enter your machine type and model number for more information. [8] **Hard drive:** GB=1,000,000,000 bytes. Accessible capacity is less; up to 4GB is service partition. [9] **Memory:** For PCs without a separate video card, memory supports both system and video. Accessible system memory is up to 64MB less than the amount stated, depending on video mode. [10] **Maximum capacity:** may require the replacement of standard component with largest supported component available. [11] **Wireless 11a, 11b and 11g:** is based on IEEE 802.11a, 802.11b and 802.11g, respectively. An adapter with 11a/b, 11b/g or 11a/b/g can communicate on either/any or any of these listed formats respectively; the actual connection will be based on the access point to which it connects. [12] **The Bluetooth word mark and logos:** owned by Bluetooth SIG, Inc. and any use of such marks by Lenovo is under license. [13] **Internet access not included.** [14] **Thinness:** may vary at certain points on the system. [15] **Limited warranty:** Support unrelated to a warranty issue may be subject to additional charges. **International Warranty Service:** is available for most models in any country in which this product is sold and serviced. Service delivery methods and parts availability vary by country, may be different from that in the country of purchase, and are subject to change without notice. Fees and restrictions may apply in some countries. [16] **Included Software:** may differ from its retail version (if available) and may not include user manuals or all program functionality. License agreements may apply. [17] **Certain IBM and ThinkPad logo products:** are not manufactured, warranted or supported by IBM or Lenovo; IBM and Lenovo logos and trademarks used under license. Contact Lenovo for details. **The following are trademarks of Lenovo:** Active Protection System, Rescue and Recovery, System Migration Assistant, ThinkLight, ThinkPad, ThinkVantage, TrackPoint, UltraBase, and Ultrabay. IBM, the IBM logo, Lotus, Lotus Notes and Lotus SmartSuite are registered trademarks of IBM and are used under license. Intel, Intel Core, Intel Inside and the Intel Inside logo are trademarks of Intel Corporation. Microsoft and Windows are trademarks of Microsoft Corporation. Linux is a trademark of Linus Torvalds.
